CASA

Lost in Style. Found in Portugal.

Casa Piccadilly is no ordinary holiday rental. It's a holiday home with a boutique personality.

Think of our casa as a carefully curated mixtape: part boho, part Scandi, with a touch of vintage and a hint of art and design. Cosmopolitan at heart with pieces collected from here and there, and stories from everywhere.

Tucked away in a sleepy Portuguese village near Óbidos, there's not much going on. No hotel bar or noise, just friendly neighbours, a corner shop and a few sheep. A cosy garden with a pool and an outdoor kitchen, cicada beats, and the most beautiful sunsets with lagoon views just around the corner.

Hop in the car and you'll reach the best beaches of Portugal's Silver Coast for swimming, surfing or kiting – or find some of the finest golf courses nearby.

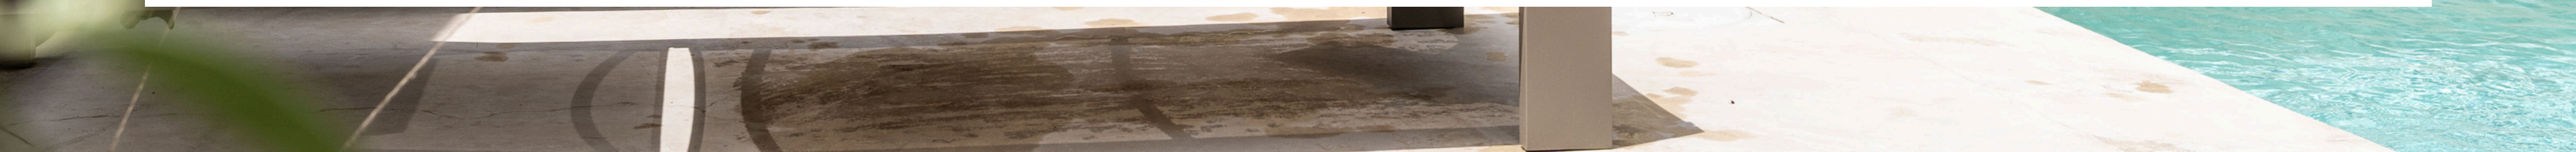

Small but complete, Casa Piccadilly is for those who value character over clichés.

A home with soul for the active – made for slow days and good nights.

## FACTS

Your laid-back escape in Portugal!

Looking for a place to relax, unwind and enjoy the sunshine?

Welcome to Casa Piccadilly, a small but stylish retreat for up to four guests.

It's perfect for couples, close friends, or families with children (aged 10+ due to the unfenced pool).

Inside, you'll find two cosy bedrooms, two compact bathrooms, handpicked designer furniture, a fully-equipped SMEG kitchen, and a mix of art and vintage pieces.

Air conditioning in every room, underfloor heating downstairs and a feel-good vibe throughout.

Step outside and things get even better:

- Sunny garden with a private pool
- Outdoor kitchen and grill
- an outdoor shower and toilet
- Shaded carport

A walking path starts right outside the house and leads to the medieval town of Óbidos, just 4 km away.

Beaches, the stunning Óbidos Lagoon (ideal for swimming, stand-up paddleboarding & kitesurfing) and top-class golf courses are all within a 15-minute drive.

The village? It's quiet and charming, with just one little corner shop and plenty of peace.

A car is definitely useful here.

Does this sound like your kind of place?

Then Casa Piccadilly might just be your perfect Portuguese hideaway.
